

STATEMENT FROM THE PARENTS OF JACOB BUSTILLOS:

We, as a family, are beyond devastated at the results of this tragic accident.

We can only imagine the emotional pain and emptiness the family is going through. We would never wish for any parent to be on either side of this horrendous consequence.

Jacob is known to his friends and family as a loving, kind hearted and family oriented person. He is a college student, works full time, is a hard worker and studying to become a high school history teacher.

From one mother to another, we can empathize deeply with the pain of another parent's loss. Jacob was heartbroken to hear of Carlos' death, and is deeply regretful over his involvement in the tragic accident that took his life.

This accident is devastating beyond any words possible. But we will continue to pray for Carlos' family. If we had lost Jacob we would be inconsolable -- we can only imagine what they must be feeling.
